PORT WASHINGTON, WI – September 21, 2011 ... Franklin Energy Services LLC, a leading national energy efficiency services company based in Port Washington, WI, has been named a Metropolitan Milwaukee Association of Commerce (MMAC) “Future 50” award winner for the third consecutive year.

The Future 50 program, presented by MMAC’s Council of Small Business Executives (COSBE), recognizes privately-owned companies in the seven-county Milwaukee region that have been in business for at least three years and have shown significant revenue and employment growth. Receiving the Future 50 Award for the third time also establishes Franklin Energy as a distinguished Future 50 “Master Mettle Winner”.

The 2011 Future 50 companies were recognized for their achievements at the annual awards luncheon, held on September 15, 2011 in Milwaukee.

Franklin Energy specializes in the implementation of energy efficiency programs on behalf of utilities, states and municipalities. The firm has 300 employees and offices in nine states.
